**FOR RELEASE IMMEDIATELY**

**SUBJECT: Warfel Construction Company awarded historic church renovation project**

**East Petersburg, PA, January 15, 2010 :** Warfel Construction was recently awarded a \$1 million contract to expand and renovate the historic St. Andrew's Episcopal Church in Glenmoore, PA. The church was originally built in 1833. Features of the project will include the construction of a new Narthex, renovations to the nave, and expanding the existing choir and sanctuary areas. Additionally, the project will include a 'green' rain garden.

Overseeing the project for Warfel is Senior Project Manager Sheila Snyder, Project Engineer John Costalas and Superintendent Rick Lewis, all of Lancaster. The project, designed by John Milner Associates of Chadds Ford, is scheduled for completion in mid-May 2010.

Generating revenues in excess of \$80 million, Warfel Construction Company provides general construction, construction management and design/build services to clients in Pennsylvania and surrounding states. Warfel specializes in working with institutional clients in the education, retirement living and healthcare industries. In business since 1911, Warfel employs over 90 people in field and office positions.
